

ASM4(JVM-4)

Voltage	3Φ AC380V 50/60HZ
Contact	SPDT 10A/220VAC Under over 20% protective function
Operating temperature	-10°C to 70°C

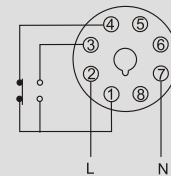

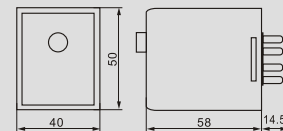

Outline dimension

ASM5(JVM-5)

Voltage	2Φ AC220V 50/60HZ
Function	Protecting two phase induction motor reverse relay with in 220V with surge absorber, high voltage protective, off delay
Contact	SPDT 5A/220AC With over/under voltage protective function 0~20%
Operating temperature	-10°C to 55°C
Humidity	48 to 85% RH

Outline dimension

ASM6(JVM-6)

Voltage	2Φ AC220V 50/60HZ
Contact	SPDT 10A/220VAC with over and under voltage protective, off delay function
Operating voltage	Over/under change over voltage
Humidity	48 to 85% RH

Outline dimension
